Evening of Fine Food

Tuesday, February 26, 2019
Terrace on the Park

An Evening of Fine Food provides an informal networking setting for people from the Queens Business community to socialize as they sample the gourmet delicacies provided by Queens’ restaurants and chefs. The event benefits over 1,500 individuals challenged by mild to severe developmental disabilities.

Each year we honor and recognize individuals for their ongoing support, dedication and service to the communities in which they live and work. This year’s exemplary “Chefs of the Year,” include **Donna Furey, Attorney, Law Office of Donna Furey; Thomas J. Grech, President & CEO, Queens Chamber of Commerce** and **Dominick Totino, Dominick Totino Photography.**

Queens Centers for Progress has provided programs and services to people with developmental disabilities for sixty-eight years. From providing educational and therapeutic services to a small group of children, QCP has grown to become a major provider of services for people with developmental disabilities in Queens County and the New York metropolitan area.

The primary source of funding for Evening of Fine Food is from corporate sponsors, whose support is paramount in insuring the success of our event. Funds raised from this special event enables us to continue to do what we do best – provide quality services and supports to children and adults who have developmental disabilities.
