

Queens Centers for Progress

Evening of Fine Food

Tuesday - March 3, 2020
Terrace on the Park

Evening of Fine Food

a unique gourmet dining experience

An Evening of Fine Food provides an informal networking setting for people from the Queens Business community to socialize as they sample the gourmet delicacies provided by Queens' restaurants and chefs. The event benefits over 1,200 individuals challenged by mild to severe developmental disabilities.

At this event, we have many Queens eateries in attendance and we pay tribute to "Chefs of the Year" – individuals who are recognized for their ongoing support, dedication and service to the communities in which they live and work, and support QCP's mission to provide person-centered services and supports to children and adults who have developmental disabilities.

Queens Centers for Progress has provided programs and services to people with developmental disabilities for seventy years. From providing educational and therapeutic services to a small group of children, QCP has grown to become a major provider of services for people with developmental disabilities in Queens County and the New York metropolitan area.

The primary source of funding for Evening of Fine Food is from corporate sponsors, whose support is paramount in insuring the success of our event. Funds raised from this special event enables us to continue to do what we do best – provide quality services and supports to children and adults who have developmental disabilities.
